

FAO: Heads of Geography

GIS For All

Developing GIS
within the
curriculum

SSAT
LeadPractitioner™

Specialist Schools
and Academies Trust
EXCELLENCE AND DIVERSITY

Thurs 27 November
Simon Balle School,
Hertford
9.30am - 3pm
Cost: £69 (including
follow up on Wed 4
February)

Lead practitioners have been appointed by the Specialist Schools and Academies Trust to get teachers working together and share good practice seen in local schools. Simon Balle School Hertford is a Humanities Specialist School with Geography as the lead subject. This is an excellent opportunity for current geography teachers to meet other teachers and find out about issues that affect us all.

Who should attend?

Anyone teaching geography will find this event useful. You will be able to be part of a network of teaching planning and preparing material to be used in schools.

There will be sessions on using different types of GIS within the curriculum and opportunities to plan lessons with other teachers.

This is an exciting opportunity to make the most of the resources that we all have access to.

For more details please contact Jo Baynham, Simon Balle School on baynhamj@simonballe.herts.sch.uk

Or, to book a place on this course go to www.ssatrust.org.uk/lpseminars Humanities events and the booking code is SVN1007376

Your school should be a member of the SSAT but it is still possible to book even if you are not. Please contact us for details.

Last year.....

*"Meeting teachers from other schools was really useful. I took away lots of new ideas".
"The discussions and time we had was invaluable".*
